THE READINGS AT MASS TODAY

MALACHI In a difficult time for ancient Israel, after their exile in Babylon, some complained that the wicked seem to get away with everything, and that there's no benefit to obeying the Lord. God's messenger Malachi assures them that the evildoers will get their due on the terrible "Day of the Lord."

PAUL Some early Christians expected the Day of the Lord, in the form of the return in glory of the risen Jesus, to occur immediately. So they dropped all their responsibilities and made nuisances of themselves in the community. Paul corrects them, using his own behaviour as an example.

LUKE By the time the Gospel of Luke was written, it was evident that the return of the Son of Man was not going to happen immediately. Luke encourages Christians to persevere in faithfulness so that they will always be ready.

NEXT SUNDAY is the *Solemnity of Christ the King*. It is the last Sunday in the present liturgical year it is also the beginning of Catholic Education Week. A teacher representative from Taylor High School will say a few words at the vigil Mass and the 11:00 am Mass next weekend.

Father Morris

Father Morris has been asked by Bishop Toal to become chaplain to Our Lady's High School, Motherwell. He will begin this appointment on his return to the parish after his short break. Father Morris has intimated that the school would like him to celebrate Holy Mass on Wednesdays and Thursdays. This means that he will be more or less absent from the parish on those two days of the week to fulfil his duties as a High School Chaplain. We wish him well in this new appointment and promise to support him for this valuable work with our young people by our prayers.

ANNUAL MASS FOR DECEASED OF THE YEAR

As is our custom, we shall have a Mass for all those whose funerals took place from St Francis Xavier's Church from **All Souls Day 2021 - All Souls Day 2022**. This will be held on **SATURDAY 26th November, 10.00am Mass**. Twenty three funerals have taken place from St Francis Xavier's Church in that time. Each person will be named and remembered at this Mass.

Loose & GiftAid £ 1231
Standing Orders £ 167

RED WEDNESDAY

The charity **AID TO THE CHURCH IN NEED** invite you to join them on the 23rd November to 'Break the Silence' on the persecution of Christians and all faiths, globally. Christians suffer persecution – from harassment to murder – in more countries than any other faith group. It is called '**RED WEDNESDAY**' because people are encouraged to light up buildings red or wear red clothes to draw attention to this religious persecution.

RELIGIOUS THEMED CHRISTMAS CARDS are available from the stall. Sending a card with a religious message keeps Christ in **CHRIST**mas. In a sense, it's a way of evangelising in this increasingly secular age.

NOVEMBER LISTS

If you wish to have the names of your loved ones put on the list, there will be envelopes at the back of the Church from next week. Please return them to the box at the back of the church.

During the Month of the Holy Souls, special prayers will be led in our local cemeteries:

Bothwellhaugh TODAY at 2.00pm

New Stevenston Sunday 20th November at 2.00pm

Note: For those wishing to attend New Stevenston who might need transport, a bus leaving from St Teresa's Newarthill will pick up passengers at the grotto at 1.30pm and return after the service.

DEFEND PRO-LIFE VIGILS "SAY NO TO BUFFER ZONES"

The Abortion Services (Safe Access Zones) Bill will soon be in Holyrood. If passed, it will be illegal to "influence or persuade a person concerning their access to or employment in connection with abortion services". This would prevent women being offered help outside clinics. It would even prevent a family member or social worker expressing an opinion to a woman about her abortion.

People will be criminalised for "persistently, continuously, or repeatedly occupying a safe access zone" - so even silent prayer would not be allowed.

Anyone taking part in a Pro-Life vigil in Scotland would be subject to a six month jail sentence for a first offence, and to two years for subsequent breaches.

Email your MSP about this attack against the civil rights guaranteed by the European Convention on Human Rights.

PLAQUES

Sincerest apologies that it has taken so long to position the plaques on the Glass chapel seats and on the centenary wall. I was hoping that these would be mounted last week but the final Centenary Wall plaques only arrived on Wednesday and there hasn't been time to erect them. I am confident that this will happen this week.

Re. **BRASS PLAQUES** for the Glass Chapel benches: one of the plaques was scratched, so I took it back to the engraver to do again. This also will be completed this week. Once again, I apologise that this has taken so long but it is wholly due to circumstances beyond my control.
